The members of Hadassah Chicago Chapter  
&  
ORT America: Metropolitan Chicago Region  
invite you to a special Women's History Month program  
on Sunday afternoon, March 30, 2008.

Special Guest:

## Israeli Director ADI REFAELI

Writer/director Adi Refaeli began her career in Israeli community television & this is her first film. *Empathy* premiered at the 2006 Jerusalem Film Festival. Now screening internationally, *Empathy* won the Judges Award for Best Short from the Red Rock Film Festival in Utah. It has also received positive reviews after film festival screenings in Boston, Indianapolis, Manhattan, and Syracuse, NY, & it played here once during our '07 Chicago Festival of Israeli Cinema.

*Empathy* has been called an Israeli version of *Crash* (which won the Best Picture Oscar in 2006). Its special achievement is to balance the scenes so that audience members come to see each unique point of view. Even though she has no time to create highly-detailed back stories, Adi makes us understand why all the characters in this complex multi-cultural stew do the things they do, even when specific actions are reprehensible.

On Sunday, March 30, Adi will be here **IN PERSON** to introduce her film, & then take questions from the WITASWAN audience after our *Empathy* screening.

**Where: Renaissance Place Theatre @ 1850 Second Street (Highland Park)**  
**When: 2:00 PM to 4:00 PM on Sunday afternoon, March 30, 2008**

*Note: An additional screening (with Q&A) has been scheduled on Saturday afternoon March 29<sup>th</sup> at Landmark's Century Center Theatre on Clark & Diversey (Chicago).*
